Mitch McGah named General Manager of Sales at Electric Coating Technologies

East Chicago, IN (May 12, 2011) – Mitch McGah has been named General Manager of Sales at Electric Coating Technologies, a division of New Star Metals. Mitch will be responsible for both direct and tolling sales at ECT. Mitch has been in charge of toll processing sales and facility scheduling. He was one of the founding members of ECT in 1997 and prior to that worked for Metro Metals. Mitch's demonstrated leadership abilities and his outstanding knowledge of electro-galvanized products and marketplace make him the perfect choice for this new assignment.

About New Star Metals Inc.

New Star Metals, with headquarters in Chicago, is engaged in the processing and distribution of value-added steel products with about 400,000 tons of current processing capacity serving customers across a variety of end markets in the Midwest. The company is composed of four divisions including Miami Valley Steel Service, Premier Resource Group, Electric Coating Technologies, and U.S. Metals and Supply.
