About Miami Valley Steel Services

Miami Valley Steel is a full service steel service center. We can slit coil, blanks, sheets, edge and cut to length steel. We have 7 in house trucks for LTL deliveries.

What the employees say:

What do you find most meaningful about working at this company?

MVS will do whatever it takes to make you successful at your job, as long as you also put forth the effort in return.

Rollover to pause...

Interesting facts

Since 2005 we've had 5 different owners and have maintained the same management team and great working environment for our employees.

Where to find Miami Valley Steel Services
